Here's how Highmark makes it simple for you:

Nationwide access to providers through the BlueCard® program.

Access to the largest physician and hospital networks in the U.S. with over 1.7 million providers, including 95% of all hospitals.*

And when you travel globally, you're covered in 190 countries through the Blue Cross Blue Shield Global® Core program.

Easy access to top-performing specialists.

Many of our network specialists have earned Blue Distinction status for their exceptional safety and results. That means great specialty care for you, across the board. Easy-peasy.

Total support, day or night.

Whether it's 24/7 answers from registered nurses, a diagnosis or prescription over video visit, or just some help booking your doctor visits, when you need us, we're there.

And you're covered close to home, too.

Our central Pennsylvania network covers 21 counties with easy access to hospitals and doctors right in your community. From behavioral health to cancer care to cardiology, children's health to neuroscience to women's care, we've got you covered for local specialty care, too.

Need help finding top-quality doctors and hospitals?

To search for in-network providers:

1. Go to highmarkblueshield.com/find-a-doctor.
2. Choose **Medical** and select **Continue**.
3. Select **Continue** to browse.
4. Enter your ZIP code.
5. Choose a plan from the list.
6. Type a name or specialty into the search window.

You can still use out-of-network providers, but it may cost you more. So, check that a provider is in network before you get care.

For over-the-phone help, call Member Service at the number on the back of your ID card.
