

WORLD-CLASS CARE IN YOUR COMMUNITY

Choose UPMC Health Plan to access the doctors and hospitals you want—and get the peace of mind you deserve.

Innovative care at UPMC in central Pennsylvania

UPMC is a longtime leading provider of advanced medical services in central Pennsylvania.

For example, at the UPMC Heart and Vascular Institute, clinical trials have been transforming cardiovascular medicine since 1997. The institute has often made new therapies available to the community before they were available elsewhere.

Quality care through multiple locations

UPMC Health Plan members have access to these and other UPMC-owned hospitals and facilities in central Pennsylvania:

- UPMC Carlisle
- UPMC Community Osteopathic
- UPMC Hanover
- UPMC Harrisburg
- UPMC Lititz
- UPMC Memorial
- UPMC West Shore

Members with access to our Premium Network can also visit these and other regional hospitals:

- Select Specialty Hospital – Central PA
- Lancaster General Hospital
- OSS Orthopaedic Hospital

Commitment to excellence

Healthgrades—an independent health care ratings company—recognized UPMC in central Pennsylvania as one of America's Best Hospitals™. According to Healthgrades, this award is based on clinical quality outcomes for 32 conditions and procedures.
