

# SAVE MONEY ON DIAGNOSTIC LABS USE FAMILY PRACTICE CENTER LAB

Hospital Based Labs are substantially more expensive than labs completed by Family Practice Center.

## How It Works:

---

- If you are an FPC patient, you may save substantially when using FPC's laboratory services, versus a hospital/health system.
- Drawing Services are available at all FPC locations.
- Walk-Ins at FPC's lab are welcome  
Please call ahead to confirm availability: 570.884.7921
- FPC's lab is CAP accredited

**FPC's laboratory is located at the Susquehanna Valley Mall in Selinsgrove.  
Patients should use Entrance B.**
