

Guess what! We are

GREAT AT WHAT WE DO...

...but don't take our word for it. Here's what our clients are saying:

“

Maria was super helpful in finding insurance for my classic cars and very easy to work with would highly recommend!

- Christopher L.

When my sister recommended Sholley Insurance Agency several years ago, I was skeptical. I couldn't believe they would be able to find me a better option for my car and home insurance. I was so wrong. And from Day 1, I have had great service. They always answer my questions in a timely manner and are very knowledgeable. I highly recommend them to anyone trying to navigate the world of insurance. It's definitely worth a phone call.

This entire agency is **AMAZING**. I have been dealing with them through my job for all of our insurance needs for 7 plus years and have **NEVER** been even slightly disappointed with any of their service. They are so great that I had all my personal insurance switched over to them.

The Sholley Insurance Agency has always been very responsive to my requests. I would and do recommend the Sholley Agency to anyone I speak to who is looking for insurance option. I love the fact that the Sholley Agency is a broker and NOT fixed to one particular insurance company. I shop every renewal period.
